Membership Terms and Conditions

Males Au Naturel ("MAN") is a private NYC-based group dedicated to creating nude social events for men. By submitting an application for membership, you acknowledge and agree to the following terms and conditions.

Membership and Dues Policy

Membership in MAN is open to men at least 21 years of age.

Membership is for the calendar year from January 1 to December 31. Dues for 2011 are \$40/year for individuals, \$56/year for couples joining together.

New members joining after March 31st pay a pro-rated membership fee for the balance of their first year. Renewing members pay the full renewal rate regardless of renewal date.

Members receive invitations to events and information about club activities by mail and/or email, at the member's option. Event fees vary, but in general members pay a lower admission fee for events than non-member guests. Event fees pay only a portion of the costs of continued operation; annual dues paid by our members make MAN a viable ongoing enterprise.

A completed Membership Application and signed Agreement and Release is required from each member and must be updated upon renewal each year.

Privacy Policy

MAN respects the privacy of its members, including the fact of membership. We hold all membership information in absolute confidence, and do not share, sell, trade, distribute or otherwise make our membership information available to other persons or organizations for any reason without prior consent from members.

For those members who indicate on their application that they wish to be listed, a membership directory is distributed each summer. Only those members appearing in the directory receive a copy of the directory.

Naturist Guidelines

The mission of Males Au Naturel is to create nude, non-sexual social events for men. While acknowledging a sensual aspect to group nudity, overt sexual behavior at MAN events is inappropriate and offensive to those who gather to enjoy social nudity. It also threatens the availability of host establishments for MAN events, who operate under licenses and other agreements that forbid sexual behavior on their premises.

All members and their guests are expected to respect personal boundaries, both in their own comportment and in their behavior toward others. Inappropriate touching, groping (oneself or others), masturbation (of oneself or others), deep kissing, fellatio and any other kind of overt erotic behavior is deemed a violation of the Membership Agreement. Anyone engaging in such activity will be subject to sanction, up to ejection from events and/or revocation of membership, at the sole discretion of the MAN Steering Committee.
